2025 Chamber of Commerce Law Enforcement & Firefighters Appreciation Dinner

Tuesday, September 16, 2025 Marshall Convention Center

Dear Community Partner,

Plans are underway to honor all paid and volunteer first responders in Harrison County, a tradition the Chamber is proud to uphold. The Law Enforcement & Firefighters Appreciation Dinner is a valued event in Harrison County, and is successful due to the valuable support of our community individuals and businesses. As you join us this year in sponsorship, you will receive recognition in the following ways, based upon your level of commitment.

The Chamber is seeking an item to be given away to a local first responder to show our appreciation and that of our community partners. We would be honored to have you participate, as you would be the sole donor for the grand prize for the banquet. The prize would be present at the event, and your signage/logo would be affixed for premier visibility.

Thanking you in advance for always supporting the Greater Marshall Chamber of Commerce as well as our community at large. Please let us know how we can assist you at any time,

Sincerely,

Stacia Runnels, Executive Director and Kim Brown, Director of Programs & Special Events
