

## Chamber Ambassador of the Year

Sponsored by McWilliams, Heating, Cooling, & Plumbing

On the Greater Marshall Chamber of Commerce website, you will see the question asked “What is a Chamber Ambassador? It states, “Ambassadors are **special** people! They represent the Harrison County community and the surrounding area, and are goodwill “ambassadors” for the Greater Marshall Chamber of Commerce. Ambassadors are usually the most outgoing, pro-active employees in their company. They project a positive image for the company they represent and for the Chamber. Ambassadors perform a wide variety of duties in the communities the Chamber promotes, but their main function is to help promote the Chamber of Commerce and make the Chamber events successful and enjoyable for everyone!” Tonight’s recipient *truly* embodies these characteristics!

Our award winner is making a tangible difference in *your* community through service. Tonight’s recipient volunteers faithfully with us, always bringing a smile and a word of encouragement to others while we work. Tonight’s honoree leads by example, and is never afraid to put forth an extra effort to make events successful. She is a team player, infusing new life into the local economy with her contagious efforts without even knowing it. Successfully connecting with businesses annually, she routinely brings in amazing support for our Chamber through her community relationships.

Today’s honoree also serves Marshall in numerous ways, demonstrating a heart for service, a trait that is deeply valued at her place of

employment. Our award winner is a softball umpire, currently coaches youth basketball, has coached youth softball and baseball, served on numerous PTA Boards, the MHS Baseball Booster Club Board, the MHS Football Booster Club for over *20 years* where she currently serves as Treasurer, is a member of the Greater Marshall Chamber of Commerce Ambassadors representing her place of employment, and is a member of River Crossing Cowboy Church, where she teaches Ladies Sunday School and Wednesday night Ladies Bible Study group.

Married to her husband Flint for 36 years, she has 3 sons and 5 grandchildren. Employed for 23 years at her place of business, she currently as Director of Campus Services at East Texas Baptist University. Join me in welcoming to the stage the 2024 Chamber Ambassador of the Year, sponsored by McWilliams, Heating, Cooling, & Plumbing, Debbie Rogers.
